

## **Red Herring Releases List of 200 Finalists for the "Red Herring 100 Asia" Awards 2007**

### **The Most-Promising Private Technology Ventures to be Celebrated at Event in Hong Kong, China**

**San Francisco, CA, August 7, 2007** – Red Herring Magazine announced today that CorEdge Networks has been short listed as a forerunner of the Red Herring 100 Asia 2007 awards. The 100 winners will be announced at the Red Herring 100 Asia event in Hong Kong, on August 29-31.

The Red Herring editorial team carefully selected the finalists based on criteria such as technical innovation, sustainable intellectual property, marquee customers, big brother partners, and demonstrated leader in a large emerging market. The 200 finalists are based in 16 countries/regions including China, India, Japan, Singapore, Korea, Australia and Vietnam. The names of the 200 companies short-listed as finalists for the "Red Herring 100 Asia 2007" can be found online at <http://www.herringevents.com/asia07/index.html>

"The 200 finalists we selected from across 16 countries and regions are all excellent contenders," said Joel Dreyfuss, Editor-in-Chief of Red Herring. "They are exceptional companies who thrive on innovation and strongly define the important role of technology in Asia's economy and throughout the world."

"CorEdge Networks has a growing customer and supplier base in Asia" said Will Chu, President of CorEdge Networks. "Many telecom customers are using MicroTCA/ATCA (Advanced Telecom Computer Architecture) and MicroTCA, AMCs (Advanced Mezzanine Cards) as modular building blocks to develop WiMAX, IPTV/HDTV, on-the-fly security and deep packet inspection solutions. Enterprise data centers can now leverage the ATCA/MicroTCA/AMC ecosystem to deliver similar results, all in a highly ruggedized fault tolerant packaging technology."

The finalists and winning companies will be celebrated at the Red Herring 100 Asia event in Hong Kong, on August 29-31. Red Herring 100 Asia is an exclusive event honoring 100 cutting-edge private technology companies from across the Asia-Pacific region. The event brings together an elite roster of entrepreneurial and global venture investment firms to showcase excellence in innovation. It features three days of keynote discussions, roundtable panels and intimate networking events designed for participants to make connections and learn what it takes to achieve the best in business and technology in Asia.

Distinguished speakers on Red Herring 100 Asia include Richard Li, Chairman of PCCW; SeHyun Oh, Chairman of SK Telecom, John Chen, Chairman of Sybase, Victor Koo, CEO of Youku.com (former President of Sohu.com); James Ding, Chairman of AsiaInfo, John Hummelstad, Apac Director of Microsoft Venture and many others.
